If you are an Anoka student, in grade 7 – 12, who likes to bowl and has the desire to become a better bowler, then Anoka High School bowling coaches Jean and Dave Jones are looking for you! Interested in learning more? Contact Jean at 763-639-1798 jmjones7670@gmail.com.

- ***** NEW in 2013-14 *** Anoka High School will offer bowling as a student club!** Bowling is co-ed activity in the fall and a girls-only activity in the winter.
- Minnesota High School Bowling uses the baker-system. Five bowlers each bowl two frames to complete a single game. **It is a very exciting format for both players and spectators.**
- Super Bowl (Ramsey) is the sponsoring bowling center for the Anoka High School bowling teams. Super Bowl provides lanes for practices and conference competition. During a single season high school bowlers will receive literally hundreds of dollars of bowling and instruction for just \$75.00.
- One to two practices each week will be held at Super Bowl after school. Matches are held on Thursday afternoons at bowling centers in the north area. Other schools in Anoka's conference are Andover, Blaine, Coon Rapids, Legacy Christian Academy, and Spring Lake Park.
- It is the opinion of many that Minnesota High School Bowling and Girls Minnesota High School Bowling are the best-organized club programs in the state. In the fall of 2012, the co-ed league had 126 varsity and 108 junior varsity teams (more than 1550 students) competing throughout Minnesota. The girls-only league was started up just three years ago and in the winter of 2013, the girls-only league had 39 varsity teams (275 students) competing statewide.
- Minnesota High School Bowling and Girls Minnesota High School Bowling are administered by the Bowling Proprietors Association of Minnesota (BPAM) and are governed by a set of rules that have been modeled after those of the Minnesota State High School League. Learn more about the leagues at www.mhsb.org or www.girlsmhsb.org.
